BIBLIOGRAPHY AND INDEX OF ILLINOIS GEOLOGY

SERIALS LIST

- AAPG Bulletin. [Tulsa, DK: American Association of Petroleum Geologists].
- AAPG Explorer. Tulsa, DK: American Association of Petroleum Geologists, 1979-.
- Abstracts - International Palynological Conference. [s. l.: s. n.].
- Abstracts with Programs - Geological Society of America. Boulder, CO: Geological Society of America.
- Am. Quat. Assoc., Natl. Conf., Abstr. American Quaternary Association, National Conference, Abstracts.
- American Journal of Botany. Lawrence, KS: Botanical Society of America, 1914-.
- American Midland Naturalist. Notre Dame, IN: University of Notre Dame, 1909-.
- Application of Computer Methods in the Mineral Industry. New York, NY: Society of Mining Engineers of American Institute of Mining, Metallurgical and Petroleum Engineers, Inc.
- Archives des Sciences. Geneve: Societe de Physique et d'Histoire Naturelle de Geneve, 1948-.
- Botanical Gazette (Chicago). Chicago, IL: University of Chicago Press, 1876-.
- Circular - Illinois State Geological Survey. Urbana, IL: Illinois State Geological Survey, 1906-.
- Circular - Illinois State Water Survey. Urbana, IL: Illinois State Water Survey, 1928-.
- Clays and Clay Minerals. Clarkson, NY: The Clay Minerals Society, 1952-.
- Coastal Engineering. Amsterdam: Elsevier Scientific Publishing Company, 1977-.
- Cooperative Ground-Water Report. Illinois, State Water Survey. Urbana, IL: Illinois State Water Survey, 1959-.
- Cooperative Groundwater Report (Illinois State Geological Survey: 1981). Champaign, IL: Illinois State Geological Survey, 1981-.
- Document - Illinois Institute of Natural Resources. Chicago, IL: Institute of Natural Resources.
- Earth Surfaces Processes and Landforms. Chichester-New York: John Wiley & Sons, 1980-.
- Earthquake Notes. Atlanta, GA: Seismological Society of America, Eastern Section by the Printing and Photographic Center of the Georgia Institute of Technology, 1929-.
- Economic Geology and the Bulletin of the Society of Economic Geologists. Lancaster, PA: Economic Geology Publishing Company.
- Environmental Geology Notes. Urbana, IL: Illinois State Geological Survey, 1965-.
- Eos, Transactions, American Geophysical Union. Washington, DC: American Geophysical Union.
- Geological Survey Occasional Paper (Bloomington). Bloomington, IN: Indiana, Department of Natural Resources, Geological Survey, 1974-.
- Geological Survey Professional Paper. Washington, DC: U. S. Department of the Interior, Geological Survey, 1902-.
- Geological Survey Water-Supply Paper (Washington). Reston, VA: U.S., Department of the Interior, Geological Survey, 1908-.
- Ground Water. Urbana, IL: National Water Well Association, Ground-Water Technology Division.
- Ground Water Monitoring Review. Worthington, OH: Water Well Journal Publishing Co., 1981-.
- Guide Leaflet - Illinois State Geological Survey. Champaign, IL: Illinois, Department of Energy and Natural Resources, State Geological Survey Division.
- IIHR Report. Iowa City, IA: Iowa Institute of Hydraulic Research.
- Illinois Mineral Note. Urbana, IL: Illinois State Geological Survey Division, Illinois Institute of Natural Resources, 1972-.

- Illinois Petroleum. Urbana, IL: Illinois State Geological Survey, 1926-.
- International Journal of Rock Mechanics and Mining Sciences. Oxford-New York: Pergamon Press, 1964-1973.
- Jewelry Making Gems & Minerals. Mentone, CA: Gemac Corporation.
- The Journal of Coal Quality. Charleston, WV: Coal Testing Conference, 1981-.
- Journal of Paleontology. Tulsa, OK: Society of Economic Paleontologists and Mineralogists, 1927-.
- Journal of Sedimentary Petrology. Tulsa, OK: Society of Economic Paleontologists and Mineralogists, 1931-.
- Journal of Soil and Water Conservation. Ankeny, IA: Soil Conservation Society of America.
- JPT. Journal of Petroleum Technology. Dallas, TX: American Institute of Mining, Metallurgical and Petroleum Engineers.
- Kerr-McGee Resources. Oklahoma City, OK: Corporate Relations Division, Kerr-McGee Corporation.
- Memorias del Congreso Panamericano de Mecanica de Suelos e Ingenieria de Fundaciones = Proceedings of the Panamerican Conference on Soil Mechanics and Foundation Engineering. Buenos Aires: [s.n.].
- Miscellaneous Paper S (Vicksburg). Vicksburg, MS: U. S. Army Engineer Waterways Experiment Station, Soils and Pavement Laboratory.
- Nature (London). London: Macmillan Journals, 1869-.
- NSS News. Huntsville, AL: National Speleological Society News.
- Open-File Report (United States Geological Survey, 1978). Reston, VA: U. S. Geological Survey.
- Palaeontographica. Abteilung A: Palaeozoologie-Stratigraphie. Stuttgart: E. Schweizerbart'sche Verlagsbuchhandlung (Nägele u. Obermiller).
- Palaeontographica, Abteilung B: Palaeophytologie. Stuttgart: [s.n.].
- Proceedings - Symposium on Rock Mechanics. New York, NY: American Institute of Mining, Metallurgical and Petroleum Engineers.
- Proceedings - Workshop on Great Lakes Coastal Erosion and Sedimentation = Comptes Rendus - Atelier sur l'Erosion et la Sedimentation Cotieres dans les Grands Lacs. Ottawa, ON: Associate Committee for Research on Shoreline Erosion and Sedimentation, National Research Council.
- Proceedings, AWWA Annual Conference. Denver, CO: American Water Works Association.
- The Proceedings of the Iowa Academy of Science. Des Moines, IA: Iowa Academy of Science, 1887-.
- Proceedings of the National Ground-Water Quality Symposium. [s. l.: s. n.].
- Program with Abstracts - Geological Association of Canada. Waterloo, ON: Geological Association of Canada, 1976-.
- Report of Investigation - Illinois State Water Survey. Urbana, IL: Illinois State Water Survey.
- Reviews in Engineering Geology. Boulder, CO: Geological Society of America, 1962-.
- Rock & Gem. Encino, CA: Behn-Miller Publishers, Inc., 1971-.
- Rocks and Minerals. Washington, DC: Heldref Publications.
- Science. Washington, DC: American Association for the Advancement of Science, 1883-.
- Sedimentology. Oxford-Boston: Blackwell Scientific Publishers, 1962-.
- Soil Science Society of America Journal. Madison, WI: Soil Science Society of America, 1976-.
- Special Publication - Kentucky Geological Survey. Lexington, KY: Kentucky Geological Survey, 1953-.
- Spisanie'na Bulgarskogo Geologicheskoto Druzhestvo. Sofia: Bulgarska Akademiya na Naukite, 1942-.
- Technical Report GL. Vicksburg, MS: U. S. Army Engineer Waterways Experiment Station.
- Transactions of the Illinois State Academy of Science. Springfield, IL: Illinois State Academy of Science.
- Transactions of the Missouri Academy of Science. Columbia, MO: Missouri Academy of Science, 1967-.
- UMR Journal. Rolla, MI: University of Missouri-Rolla.
- Water-Resources Investigations. [Reston, VA]: U. S. Geological Survey, 1972-.
- Water Resources Research. Washington, DC: American Geophysical Union, 1965-.
- The Windy City Speleoneers. Chicago, IL: Windy City Grotto of the National Speleological Society, 1961-.

INTENTIONAL BLANK PAGE

World Oil. Houston, TX: [IRM, Inc., etc.],
1947-.

W.R.C. Research Report. Urbana, IL: University
at Urbana-Champaign, Water Resources Center,
1973-.

BIBLIOGRAPHY AND INDEX OF ILLINOIS GEOLOGY

BIBLIOGRAPHY

- Absher, James see Stout, Glenn E.
- Achtemeier, Gary L. see Changnon, Stanley A., Jr.
- Alexander, J. D. see Hinesly, T. D.
- Algermissen, S. T. see Hopper, M. G.
- Allaway, Bill. Why I am interested in fossils: Jewelry Making Gems & Minerals, Vol. 545, p. 48-49, March 1983.
- Allender, J. H.; and Ditmars, J. D. Field measurements of longshore currents on a barred beach: Coastal Engineering, Vol. 5, No. 4, p. 295-309, illus. (incl. 2 tables), 25 ref., 1981.
- Allison, Mel. Illinois Division of Water Resources: in Proceedings, Illinois water-data users meeting (Toler, L. G., compiler), Open-File Report (United States Geological Survey, 1978), p. 28-31, 1982. (Rep. No. 82-1001) available from: U. S. Geol. Surv., Open-File Serv. Sect., West. Distrib. Branch, Denver Fed. Cent., Lakewood, CO, United States.
- Aspbury, George F. see Kirchner, James G.
- Atherton, Elwood see Norby, R. D.
- Avin, Matthew J. see Phillips, Tom L.
- Baird, G. C.; and Woodland, B. G. Pennsylvanian coalified rhizomorphs in Illinois; evidence for non-compressive coalification to bituminous coal rank: Sedimentology, Vol. 29, No. 1, p. 3-15, illus. (incl. 3 tables, sketch map, strat. col.), 32 ref., 1982.
- Baird, Gordon C.; and Woodland, Bertram G. Pennsylvanian coalfield rhizomorphs in Illinois evidence for non-compressive coalification to bituminous coal rank [abstr.]: in Abstracts of the proceedings of the 93rd annual meeting of the Geological Society of America (Thomas, William A., chairperson), Abstracts with Programs - Geological Society of America, Vol. 12, No. 7, p. 381, August 1980.
- Baker, R. G. see Kim, H. K.
- Balding, G. O. U. S. Geological Survey: in Proceedings, Illinois water-data users meeting (Toler, L. G., compiler), Open-File Report (United States Geological Survey, 1978), p. 31-34, 1982. (Rep. No. 82-1001) available from: U. S. Geol. Surv., Open-File Serv. Sect., West. Distrib. Branch, Denver Fed. Cent., Lakewood, CO, United States.
- Bandopadhyaya, C. see Chugh, Y. P.
- Bandy, William F., Jr. Paleontology and stratigraphy of the Mattoon Formation (Pennsylvanian), Coles County, Illinois: Master's, 1981, Indiana Univ., Bloomington, IN. microfossils.
- Bandy, William F., Jr. Paleontology and stratigraphy of the Mattoon Formation (Pennsylvanian), Coles County, Illinois [abstr.]: in Geological Society of America, 94th annual meeting, Abstracts with Programs - Geological Society of America, Vol. 13, No. 7, p. 402, September 1981.
- Barcelona, M. J. see Lembke, W. D.
- Barcelona, Michael J. Chemical characteristics of lake sediments: in Proceedings of a Round table on reclaiming and managing lakes in Illinois (Stout, Glenn E., director), Document - Illinois Institute of Natural Resources, 81/06, p. 10-20, illus. (incl. 1 table), July 1981.
- Barcelona, Michael J.; and Wang, Woodrow. Usefulness of sediment oxygen demand as a tool for impoundment management: W.R.C. Research Report, Vol. 169, 35 p., illus. (incl. 6 tables), 37 ref., August 1982.
- Barcelona, Michael J. see also Stout, Glenn E.

INTENTIONAL BLANK PAGE

BIBLIOGRAPHY AND INDEX OF ILLINOIS GEOLOGY

SUBJECT INDEX

- absolute age** *see also* geochronology; isotopes
- absolute age--dates**
- metamorphic rocks:*
- Interpretation of Proterozoic basement in the Midcontinent (Bickford, M. E.)
- Origin of middle Proterozoic granitic and rhyolitic rocks in the Midcontinent region of North America (Bickford, M. E.)
- Paleosols:* Geology and paleopedology of the Koster archeological site, Greene County, Illinois (Hajic, Edwin R.)
- peridotite:* K-Ar ages of phlogopite from mica peridotite, Omaha oil field intrusion, Gallatin County, southern Illinois (Bikerman, Michael)
- sediments:* Sedimentology and Woodfordian history of Lake Saline, southern Illinois (Heinrich, Paul V.)
- Alberta--structural geology**
- tectonics:* Intracratonic basins; erosional remnants, bulls-eyes and mantle sinks (Smith, Leigh)
- ammonites** *see* Mollusca
- angiosperm flora** *see also* angiosperms
- angiosperms--floral studies**
- Cretaceous:* Upper Cretaceous of Illinois; a preliminary survey (Matten, Lawrence C.)
- archaeology** *see also under* stratigraphy
- archeology** *see* archaeology *under* stratigraphy
- areal geology**
- guidebook:* A guide to the geology of the Cairo area (Reinertsen, David L.)
- Arthropoda--miscellanea**
- Pennsylvanian:* New euthycarcinoid arthropods from the Upper Pennsylvanian of France and Illinois (Schram, Frederick R.)
- artifacts** *see* archaeology *under* stratigraphy
- associations** *see also* survey / organizations
- associations--environmental geology**
- Illinois Department of Conservation:* Illinois Department of Conservation (Tichacek, Gregg)
- Illinois Environmental Protection Agency:* Illinois Environmental Protection Agency (Rogers, Kenneth)
- associations--hydrogeology**
- Illinois Division of Water Resources:* Illinois Division of Water Resources (Allison, Mel)
- atolls** *see* reefs *under* sedimentary petrology; *see* reefs *under* environment *under* sedimentation
- automatic data**
- processing--engineering geology**
- earthquakes:**
- State-of-the-art for assessing earthquake hazards in the United States; Report 10, Attenuation of high-frequency seismic waves in the central Mississippi Valley (Nuttli, Otto W.)
- land subsidence:**
- Application of remote sensing to subsidence detection at a room-and-pillar coal mine (Elifrits, C. Dale)
- mining geology:** Effect of weak floor interaction on stability of coal pillars (Chugh, Y. P.)
- petroleum engineering:** The role of geology in reservoir simulation studies (Harris, D. G.)
- waterways:** Refinement and verification of predictive models of suspended sediment dispersion and desorption of toxics from dredged sediments (Schnoor, J. L.)
- automatic data**
- processing--geomorphology**
- shore features:* Simulation model of Lake Michigan bluff erosion (Roy, Stephen D.)
- barium--geochemistry**
- ground water:* Evaluation of barium removal methods for groundwater supplies (Krause, Terry L.)
- Isotopic and geologic studies to identify the sources of sulfate in groundwater containing high barium concentrations (Gilkeson, Robert H.)
- beaches** *see under* shore features *under* geomorphology
- bentonite deposits** *see also* clays
- bibliography** *see also under* economic geology
- biogeography--Brachiopoda.**
- Devonian:* Brachiopod paleoecology, paleobiogeography, and biostratigraphy in the upper Middle Devonian of eastern North America; an ecofacies model for the Appalachian, Michigan, and Illinois basins (Koch, William F., II)
- biogeography--mollusks**
- Pleistocene:* Woodfordian-Holocene mollusc biogeography of Iowa and Illinois (Frest, T. J.)
- biologic evolution** *see under* gymnosperms
- Bivalvia** *see under* Mollusca

Blastoidea *see under*
Echinodermata

Brachiopoda--Articulata

Devonian: Brachiopod paleoecology, paleobiogeography, and biostratigraphy in the upper Middle Devonian of eastern North America; an ecofacies model for the Appalachian, Michigan, and Illinois basins (Koch, William F., II)

Brachiopoda--faunal studies

Silurian: Fauna of the Racine Dolomite (Niagaran), Grafton, Illinois (Garney, Ronald T.)

brines *see also under*
geochemistry

burrows *see* ichnofossils

cadmium--geochemistry

ground water: Retention of zinc, cadmium, copper, and lead by geologic materials (Gibb, James P.)

soils: Effect of soil cation exchange capacity on the uptake of cadmium by corn (Hinesly, T. D.)

California--geochemistry

isotopes: Isotopic composition of uranium and thorium in crystalline rocks (Rosholt, John N.)

Cambrian *see also under*

dams--design**geologic hazards:**

- Overtopping risk evaluation for an existing dam (Cheng, Shui-Tuang)

deformation--experimental studies

- microcracks:** Velocity behavior of rocks related to microcracks, micropores, and pore-fillings (Kowallis, Bart Joseph)

deformation--field studies

- fault zones:** Recurrent mid to late Paleozoic deformation along the Plum River fault zone (PRFZ), upper Mississippi Valley, USA (Bunker, Bill J.)

deposition see under**sedimentation****deposition of ores see mineral deposits, genesis****deuterium see also hydrogen; tritium****deuterium--geochemistry**

- ground water:** Geochemical evidence for Pleistocene glacial meltwater recharge to the Cambrian-Ordovician aquifer in the Northcentral United States (Siegel, O. I.)

Devonian see also under stratigraphy**diagenesis see also sedimentation****diagenesis--cementation**

- calcite:** Depositional environments and diagenesis of Salem Limestone (Middle Mississippian) reservoirs in southern Illinois (Cluff, Robert M.)

diagenesis--materials

- carbonate rocks:** Carbonate microfacies of the Platteville Group (Middle Ordovician), Lee and LaSalle counties, Illinois (Kuhnhehn, Gary Lee)

diagenesis--processes

- coalification:** Pennsylvanian coalfield rhizomorphs in Illinois evidence for non-compressive coalification to bituminous coal rank (Baird, Gordon C.)
- Pennsylvanian coalified rhizomorphs in Illinois; evidence for non-compressive coalification to bituminous coal rank (Baird, G. C.)

- leaching:** Origin of an underclay as revealed by vertical variations in mineralogy and chemistry (Rimmer, Susan M.)

diamonds see also gems**dolostone see also under**

- carbonate rocks under sedimentary rocks

drainage patterns see under fluvial features under geomorphology**drift see under glacial features under glacial geology****earthquakes see under**

- seismology; see also engineering geology; seismology; see also under engineering geology under automatic data processing; Mississippi Valley; see also under seismology under Midwest

Echinodermata see also Echinoderms**Echinodermata--Blastoidea**

- Mississippian:** A new hydrosphere wall structure in the blastoid Pentremites (Beaver, Harold H.)

Echinodermata--Crinoidea

- Mississippian:** The Chesteran crinoid species *Agassizocrinus dissimilis* Weller (Strimple, H. L.)

echinoderms see also**Echinodermata****echinoderms--biostratigraphy**

- Mississippian:** The Mississippian Valmeyeran-Chesterian series boundary (Norby, R. O.)

economic geology

- bibliography:** A presentation and evaluation of the hydrologic information available for the major federal coal lands in seven Eastern States; sources of available information and a plan for future work (Grason, David)
- coal:** A presentation and evaluation of the hydrologic information available for the major federal coal lands in seven Eastern States; sources of available information and a plan for future work (Grason, David)
- Analysis of mineral phases in coal utilizing factor analysis (Roscoe,

B. A.)

- Cost of underground coal mining in Illinois (Bhagwat, Subhash)
- Deep-minable coal resources of Illinois (Treworgy, Colin G.)
- Murphysboro coal, Jackson and Perry counties; resources with low to medium sulfur potential (Jacobson, Russell J.)
- Pyroprocessing technology (Shimp, Neil F.)
- The Galatia Channel, a Pennsylvanian channel complex in western Gibson County, Indiana (Eggert, D. L.)
- construction materials:** Geology of aggregate resources of Illinois (Goodwin, Jonathan H.)
- fuel resources:** Exploration activity increases in Illinois Basin (Maslowski, Andy)
- Illinois Basin has deep gas and oil potential (Sloss, L. L.)
- Oil and gas developments in East-Central States in 1981 (Van den Berg, Jacob)
- geothermal energy:** An assessment of the geothermal resources of Illinois based on existing geologic data (Vaught, Tracy L.)
- lead-zinc deposits:** Outlying mineral occurrences related to the Upper Mississippi Valley mineral district, Wisconsin, Iowa, Illinois, and Minnesota (Heyl, Allen V.)
- maps:** Dyersburg Quadrangle, Illinois, Kentucky, Missouri, and Tennessee (Gustavson, John B.)
- mineral resources:** A comparison of mississippi valley ore deposits with modern groundwater of northern Illinois (Perry, E. C., Jr.)
- Illinois mineral industry in 1979/1980 and review of preliminary mineral production data for 1981 (Samson, Irma)
- The mineral industry of Illinois (Hill, James J.)
- molybdenum ores:** Molybdenum and other heavy metals of the Mecca Quarry and Logan Quarry shales (Coveney,

- Raymond M., Jr.)
natural gas: A preliminary assessment of the natural gas potential of the New Albany Shale Group in Illinois (Cluff, Robert M.)
- Some results of Eastern Gas Shale Program of interest to Illinois Basin operators (Howard, James)
- oil and gas fields*: Geology and geophysics of Spring Garden area, Jefferson County, Illinois (Caserotti, Phillip M.)
- Petroleum industry in Illinois, 1981; Oil and gas developments; Waterflood operations (Van den Berg, Jacob)
 - Reservoir identification by chromatographic methods (Dyer, Rolla McIntyre)
 - The application of remote sensing for the detection of Niagaran pinnacle reefs in the Illinois Basin (Lovely, Daniel A.)
- oil shale*: Organic-rich shale (Devonian and Mississippian) in the eastern interior United States (Kepferle, Roy C.)
- petroleum*: Depositional environments and diagenesis of Salem Limestone (Middle Mississippian) reservoirs in southern Illinois (Cluff, Robert M.)
- The potential of the Knox Dolomite in the Illinois Basin for petroleum production (Stevenson, David L.)
- uranium ores*: Dyersburg Quadrangle, Illinois, Kentucky, Missouri, and Tennessee (Gustavson, John B.)

petroleum: Reservoir identification by chromatographic methods (Dyer, Rolla McIntyre)

shale: Some results of Eastern Gas Shale Program of interest to Illinois Basin operators (Howard, James)

organic**materials--hydrocarbons**

hopanes: Extended hopanes up to C/40₊ in Thornton

bitumen (Rullkotter, Jurgen)

methane: Internal surface area and porosity in Eastern gas shales from the sorption of nitrogen, carbon dioxide, and methane; a status report (Thomas, Josephus, Jr.)

Ostracoda *see also* ostracods**Ostracoda--Beyrichicopina**

Devonian: A Detroit River (Middle Devonian) fauna from the subsurface of Illinois (Linsley, Robert M.)

ostracods *see also* Ostracoda**ostracods--biostratigraphy**

Cenozoic: Stratigraphy of Lake Michigan Formation in Lake Michigan's Southern Basin (Pranschke, Frank A.)

oxygen--isotopes

O-18/O-16: Geochemical evidence for Pleistocene glacial meltwater recharge to the Cambrian-Ordovician aquifer in the Northcentral United States (Siegel, D. I.)

-- H, O, and S isotopic study of the groundwater in the Cambrian-Ordovician aquifer system of northern Illinois (Perry, Eugene C., Jr.)

-- Isotopic and geologic studies to identify the sources of sulfate in groundwater containing high barium concentrations (Gilkeson, Robert H.)

paleobotany

angiosperms: Upper Cretaceous of Illinois; a preliminary survey (Matten, Lawrence C.)

gymnosperms: A Conostoma with a tentacular integument from the Pennsylvanian of Illinois (Rothwell, G. W.)

-- A new petrified medullosan pollen organ (Dennis, R. L.)

-- A Pennsylvanian flora from Murphysboro, Illinois (Brack, Sheila D.)

-- Additional observations on the pteridosperm Schopfiastrum (Rothwell, Gar W.)

-- Halletheca reticulatus gen. et sp. n.; a synangiate Pennsylvanian pteridosperm pollen organ (Taylor, Thomas N.)

-- Lasioostrobus gen. n., a staminate strobilus of

gymnospermous affinity from the Pennsylvanian of North America (Taylor, Thomas N.)

-- Ontogeny of the Paleozoic ovule, Callospermario pusillum (Rothwell, Gar W.)

-- Petrified cordaitan stems from the Middle Pennsylvanian of Illinois (Whiteside, Kirk L.)

-- Rhetinotheca tetrasolenata gen. et sp. n., an Aulacotheca-like fructification (Leisman, G. A.)

-- The vegetative anatomy of Schopfiastrum decussatum from the Middle Pennsylvanian of the Illinois Basin (Stidd, Benton M.)

-- Vegetative anatomy of Schopfiastrum decussatum Andrews from the Middle Pennsylvanian of the Illinois Basin (Stidd, Benton M.)

palynomorphs: A new Pennsylvanian fructification (Taylor, Thomas N.)

-- Callandrium callistophytoides, gen. et sp. nov., the probable pollen-bearing organ of the seed fern, Callistophyton (Stidd, Benton M.)

-- Idanothekion gen. n., a synangiate pollen organ with saccate pollen from the Middle Pennsylvanian of Illinois (Millay, Michael A.)

-- Illustrations and comments concerning the type specimens of Calamospora, Florinites, and Raistrickia (Kosanke, Robert M.)

pteridophytes: A lycopod from the Salem Limestone (Mississippian) of Illinois (Jennings, J. R.)

-- A new pteridosperm male fructification from the Middle Pennsylvanian of Illinois (Leisman, Gilbert A.)

-- Linopteris in American coal balls (Leisman, G. A.)

-- Pennsylvanian coal swamp floras in the Illinois Basin (Phillips, Tom L.)

-- Pollen organs of the Pennsylvanian Callistophytaceae

- (Pteridospermopsida)
(Rothwell, Gar W.)
- Structure and affinities of the Paleozoic pollen organ, *Idanothekion* (Rothwell, Gar W.)
 - Studies of calamitean cones; further diversity of sporangiophore position and organization (Good, Charles W.)
 - Studies of Callistophyton-like Paleozoic pteridosperms (Rothwell, Gar W.)
 - Studies of Paleozoic marattiales; an evaluation of the genus *Cyathotrachus* (Watson) Mamay (Millay, M. A.)
 - Studies of pteridosperm fructifications (Taylor, T. N.)
 - Studies of *Sphenophyllum* shoots; species delimitation within the taxon *Sphenophyllum* (Good, Charles W.)
 - The frond of *Heterangium* (Shadle, G. L.)
 - The morphology of *Stigmaria stellata* Goeppert (Jennings, James R.)
 - The natural affinity of the Carboniferous seed, *Callospermion* (Stidd, Benton M.)

sedimentary petrology

reefs: The application of remote sensing for the detection of Niagaran pinnacle reefs in the Illinois Basin (Lovely, Daniel A.)

sedimentary rocks: Carbonate microfacies and depositional environments of the Joachim Dolomite (Middle Ordovician), Southeast Missouri and southern Illinois, U.S.A. (Okhravi, Rasool)

-- Origin of an underclay as revealed by vertical variations in mineralogy and chemistry (Rimmer, Susan M.)

-- Pennsylvanian coalfield rhizomorphs in Illinois evidence for non-compressive coalification to bituminous coal rank (Baird, Gordon C.)

-- Pennsylvanian coalified rhizomorphs in Illinois; evidence for non-compressive coalification to bituminous coal rank (Baird, G. C.)

-- Petrology of New Albany Shale Group (Upper Devonian and Kinderhookian) in the Illinois Basin; a preliminary report (Harvey, R. D.)

-- Resedimented deposits and evolution of Thornton Reef (Niagaran), northeastern Illinois (McGovney, James E.)

-- SEM-EDX characterization of macerals in dull and impure coal layers, Herrin Coal, Illinois (Costanza, S. H.)

-- So-called limestone "concretions" in Pennsylvanian black "shales"; carbonate oases in Carboniferous carbonaceous environments (Merrill, Glen K.)

-- The paleoenvironment of the Cedar Valley Limestone (Middle Devonian) in northwestern Illinois (Winkle, Candace J.)

sedimentary structures: Erosional channels in the Herrin (No. 6) Coal at Old Ben No. 24 Mine, Franklin

County, Illinois (DeMaris, Philip J.)

-- Warsaw geodes (Martin, Willard E.)

sedimentation: Anastrophic deposition in the Silurian dolomites of the Chicago area (Peczkis, Jan)

-- Paleoenvironment of the New Albany Shale Group (Devonian-Mississippian) of Illinois (Cluff, Robert M.)

-- Sedimentology and geochemistry of backwater lakes on the Illinois River (Cahill, Richard A.)

-- Sedimentology of terrace deposits at bend area of Wabash River (Fraser, Gordon S.)

sediments: Sedimentology and bathymetry of Pool 26, Mississippi River (Goodwin, Jonathan H.)

-- Stratigraphy of Lake Michigan Formation in Lake Michigan's Southern Basin (Pranschke, Frank A.)

sedimentary rocks *see also* sedimentary structures; sedimentation; sediments

sedimentary rocks--carbonate rocks

dolostone: Anastrophic deposition in the Silurian dolomites of the Chicago area (Peczkis, Jan)

environmental analysis: Carbonate microfacies and depositional environments of the Joachim Dolomite (Middle Ordovician), Southeast Missouri and southern Illinois, U.S.A. (Okhravi, Rasool)

limestone: Depositional environments and diagenesis of Salem Limestone (Middle Mississippian) reservoirs in southern Illinois (Cluff, Robert M.)

-- The paleoenvironment of the Cedar Valley Limestone (Middle Devonian) in northwestern Illinois (Winkle, Candace J.)

lithofacies: Facies and the environments of deposition of the LaSalle Cyclothem in North-Central Illinois (Nolde, Jack E.)

lithostratigraphy: Carbonate microfacies of the Platteville Group (Middle Ordovician), Lee and LaSalle counties, Illinois (Kuhnhehn, Gary Lee)

sedimentary rocks--clastic rocks

black shale: Molybdenum and other heavy metals of the Mecca Quarry and Logan Quarry shales (Coveney, Raymond M., Jr.)

-- So-called limestone "concretions" in Pennsylvanian black "shales"; carbonate oases in Carboniferous carbonaceous environments (Merrill, Glen K.)

conglomerate: Resedimented deposits and evolution of Thornton Reef (Niagaran), northeastern Illinois (McGovney, James E.)

environmental analysis: Paleontology and stratigraphy of the Mattoon Formation (Pennsylvanian), Coles County, Illinois (Bandy, William F., Jr.)

lithostratigraphy: Preliminary lithostratigraphy and biostratigraphy of the Maquoketa Group (Upper Ordovician), northern Illinois (Votaw, Robert B.)

sandstone: The Galatia Channel, a Pennsylvanian channel complex in western Gibson County, Indiana (Eggert, D. L.)

-- Tidal deposition of Cypress, Ridenhower, and Bethel sandstones (Chesterian, Late Mississippian), La Salle anticlinal belt, Lawrence and Crawford counties, Illinois (Seyler, Beverly)

shale: Paleoenvironment of the New Albany Shale Group (Devonian-Mississippian) of Illinois (Cluff, Robert M.)

-- Petrology of New Albany Shale Group (Upper Devonian and Kinderhookian) in the Illinois Basin; a preliminary report (Harvey, R. D.)

underclay: Origin of an underclay as revealed by vertical variations in mineralogy and chemistry (Rimmer, Susan M.)

sedimentary rocks--geochemistry

organic materials: Some results of Eastern Gas Shale Program of interest to Illinois Basin

sedimentary rocks--organic residues

bituminous coal: SEM-EDX characterization of macerals in dull and impure coal layers, Herrin Coal, Illinois (Costanza, S. H.)

-- Trace element geochemistry of Herrin (No. 6) Coal in the Illinois Basin (Chou, Chen-Lin)

coal: Erosional channels in the Herrin (No. 6) Coal at Old Ben No. 24 Mine, Franklin County, Illinois (DeMaris, Philip J.)

-- Organic matter in a coal ball; peat or coal? (Hatcher, Patrick G.)

-- Pennsylvanian coalfield rhizomorphs in Illinois evidence for non-compressive coalification to bituminous coal rank (Baird, Gordon C.)

-- Pennsylvanian coalified rhizomorphs in Illinois; evidence for non-compressive coalification to bituminous coal rank (Baird, G. C.)

-- Regional zonal distribution of ore formation and coal metamorphism (Matveyev, A. K.)

sedimentary structures see also sedimentary rocks; sediments

sedimentary structures--environmental analysis

intertidal environment: Tidal deposition of Cypress, Ridenhower, and Bethel sandstones (Chesterian, Late Mississippian), La Salle anticlinal belt, Lawrence and Crawford counties, Illinois (Seyler, Beverly)

sedimentary structures--planar bedding structures

channels: Erosional channels in the Herrin (No. 6) Coal at Old Ben No. 24 Mine, Franklin County, Illinois (DeMaris, Philip J.)

sedimentary structures--primary structures

channels: The Galatia Channel, a Pennsylvanian channel complex in western

Gibson County, Indiana (Eggert, D. L.)

sedimentary structures--secondary structures

concretions: So-called limestone "concretions" in Pennsylvanian black "shales"; carbonate oases in Carboniferous carbonaceous environments (Merrill, Glen K.)

geodes: Warsaw geodes (Martin, Willard E.)

sedimentation--controls

hydrogeological controls: Geology and paleopedology of the Koster archeological site, Greene County, Illinois (Hajic, Edwin Robert)

tectonic controls: Facies transitions in Upper Cambrian strata of the Midcontinent region; tectonic implications (Weaverling, P. H.)

sedimentation--deposition

environment: Trace fossils and environments of deposition of the Caseyville and Abbott formations (Lower Pennsylvanian) of southern Illinois (Stanley, Roderick G.)

processes: Geology and paleopedology of the Koster archeological site, Greene County, Illinois (Hajic, Edwin R.)

suspended materials: Chemical characteristics of lake sediments (Barcelona, Michael J.)

sedimentation--environment

anaerobic environment: Paleoenvironment of the New Albany Shale Group (Devonian-Mississippian) of Illinois (Cluff, Robert M.)

deltaic environment: Delta environments of the lower Chesterian (Mississippian) in southern Illinois (Seyler, Beverly)

fluvial environment: Erosional channels in the Herrin (No. 6) Coal at Old Ben No. 24 Mine, Franklin County, Illinois (DeMaris, Philip J.)

-- Sedimentology and bathymetry of Pool 26, Mississippi River (Goodwin, Jonathan H.)

-- Sedimentology of terrace deposits at bend area of Wabash River (Fraser,

- Gordon S.)
- The Galatia Channel, a Pennsylvanian channel complex in western Gibson County, Indiana (Eggert, D. L.)

 - sedimentation--processes**
 - glacial sedimentation:* Quaternary paleoenvironmental changes in Illinois (King, James E.)
 - Subglacial mixing processes and the matrix uniformity of basal tills of the Laurentide ice sheet in Iowa and Illinois, U.S.A. (Kemmis, T. J.)
 - Variability in the nature and types of glacial sedimentation within the Woodfordian Substage in Illinois (Johnson, W. Hilton)
 - sedimentation--sedimentation rates**
 - deposition:* Dredged sediment for agriculture; Lake Paradise (Lembke, W. D.)
 - rivers:* Sedimentology and geochemistry of backwater lakes on the Illinois River (Cahill, Richard A.)
 - sedimentation--transport**
 - glacial transport:* Implications of stratigraphic studies to mapping regional distribution of drift aquifers in Illinois (Kempton, John P.)
 - stream transport:* Refinement and verification of predictive models of suspended sediment dispersion and desorption of toxics from dredged sediments (Schnoor, J. L.)
 - sediments see also sedimentary rocks; sedimentary structures; sedimentation**
 - sediments--clastic sediments**
 - composition:* Stratigraphy of Lake Michigan Formation in Lake Michigan's Southern Basin (Pranschke, Frank A.)
 - Variability in the nature and types of glacial sedimentation within the Woodfordian Substage in Illinois (Johnson, W. Hilton)
 - drift:* Implications of stratigraphic studies to mapping regional distribution of drift aquifers in Illinois (Kempton, John P.)
 - environmental analysis:* Late Wisconsinan history of the middle Wabash River valley (Bleuer, N. K.)
 - lake sediments:* Quaternary paleoenvironmental changes in Illinois (King, James E.)
 - lithofacies:* Stratigraphy of Woodfordian till and lake beds in Iroquois and neighboring counties, Illinois (Moore, David W.)
 - till:* A possible paleo-overpressured sand in glacial deposits of central Illinois (Vaiden, Robert)
 - sediments--composition**
 - lake sediments:* Sedimentology and Woodfordian history of Lake Saline, southern Illinois (Heinrich, Paul V.)
 - sediments--distribution**
 - grain size:* Sedimentology and bathymetry of Pool 26, Mississippi River (Goodwin, Jonathan H.)
 - sediments--geochemistry**
 - trace elements:* Sedimentology and geochemistry of backwater lakes on the Illinois River (Cahill, Richard A.)
 - seismic surveys see under geophysical surveys**
 - seismology see also engineering geology**
 - seismology**
 - crust:* Ancient rift complex and related seismicity in the northern Mississippi Embayment area (Braille, L. W.)
 - earthquakes:* A joint hypocenter relocation study in the New Madrid seismic zone (Himes, L. D.)

seismology--earthquakes

focus: A joint hypocenter relocation study in the New Madrid seismic zone (Himes, L. D.)

-- Geologic-tectonic history of the area surrounding the northern end of the Mississippi Embayment (Schwalb, H. R.)

modified Mercalli scale: The events of February 4, 1983, Michigan, Indiana, and Illinois (Sleep, Norman H.)

seismic sources: Ancient rift complex and related seismicity in the northern Mississippi Embayment area (Braille, L. W.)

seismology--seismicity

tilt: Microgravity changes in the Mississippi Embayment (Wei, Meng Hua)

shale see under clastic rocks

under sedimentary rocks

shore features see under geomorphology

shorelines see also under engineering geology

Silurian see also under stratigraphy

slope stability see also engineering geology; geomorphology

soil mechanics see also rock mechanics

soil mechanics--materials, properties

cohesive materials: Intact and remolded dynamic stress-strain properties of well-graded cohesive soils (Silver, Marshall L.)

failures: Geologic controls on mine subsidence in Illinois (Bradford, Susan C.)

soils

geochemistry: A new method for determination of ¹⁵N-labeled nitrous oxide (Mulvaney, R. L.)

-- Copper (II) binding by humic acid extracted from sewage sludge; an electron spin resonance study (Boyd, Stephen A.)

-- Effect of soil cation exchange capacity on the uptake of cadmium by corn (Hinesly, T. D.)

maps: Soil survey of Iroquois County, Illinois (Kiefer, Linus M.)

Paleosols: Geology and paleopedology of the Koster archeological site, Greene County, Illinois

(Hajic, Edwin Robert)

water regimes: Trickle irrigation; a study of moisture distribution in the soil profile

(Mostaghimi, Saied)

soils--geochemistry

cadmium: Effect of soil cation exchange capacity on the uptake of cadmium by corn (Hinesly, T. D.)

soils--surveys

A new method for determination of ¹⁵N-labeled nitrous oxide (Mulvaney, R. L.)

-- Copper (II) binding by humic acid extracted from sewage sludge; an electron spin resonance study (Boyd, Stephen A.)

-- Electrical resistivity and soil studies at the Range archaeological site (11-S-47), St. Clair County, Illinois (Calengas, Peter L.)

-- Geology and paleopedology of the Koster archeological site, Greene County, Illinois (Hajic, Edwin Robert)

-- Retention of zinc, cadmium, copper, and lead by geologic materials (Gibb, James P.)

-- Soil survey of Iroquois County, Illinois (Kiefer, Linus M.)

-- The off-site sediment damage function in selected Illinois watersheds (Guntermann, Karl L.)

-- Trickle irrigation; a study of moisture distribution in the soil profile (Mostaghimi, Saied)

-- Usefulness of sediment oxygen demand as a tool for impoundment management (Barcelona, Michael J.)

solution features see under geomorphology

spectrometry see spectroscopy

spectroscopy see also chemical analysis; X-ray analysis

spectroscopy--methods

applications: Application and comparison of neutron activation analysis with other analytical methods for the analysis of coal (Cahill, R. A.)

springs see also ground water

standard materials--coal

chemical analysis: Application and comparison of neutron activation

analysis with other analytical methods for the analysis of coal (Cahill, R. A.)

stratigraphy

archaeology: Electrical resistivity and soil studies at the Range archaeological site (11-S-47), St. Clair County, Illinois (Calengas, Peter L.)

-- Geology and paleopedology of the Koster archeological site, Greene County, Illinois (Hajic, Edwin Robert)

-- Geology and paleopedology of the Koster archeological site, Greene County, Illinois (Hajic, Edwin R.)

-- Indian artifacts and museums in Illinois and Missouri (Boyd, R. H.)

-- Why I am interested in fossils (Allaway, Bill)

Cambrian: Facies transitions in Upper Cambrian strata of the Midcontinent region; tectonic implications (Weaverling, P. H.)

Carboniferous: Conodonts from the Middle Carboniferous of southern Illinois and the base of the Pennsylvanian System (Merrill, Glen K.)

Cenozoic: Stratigraphy of Lake Michigan Formation in Lake Michigan's Southern Basin (Pranschke, Frank A.)

changes of level: Holocene and modern history of a beach ridge and dune plane, Lake Michigan (Collinson, Charles)

Devonian: A Detroit River (Middle Devonian) fauna from the subsurface of Illinois (Linsley, Robert M.)

-- Brachiopod paleoecology, paleobiogeography, and biostratigraphy in the upper Middle Devonian of eastern North America; an ecofacies model for the Appalachian, Michigan, and Illinois basins (Koch, William F., II)

-- The New Albany Shale Group of Illinois (Cluff, Robert M.)

Mississippian: Delta environments of the lower Chesterian (Mississippian) in southern Illinois

- (Seyler, Beverly)
- Macropaleontology of the uppermost Mississippian and basal Pennsylvanian strata in the southern part of the Illinois Basin (Jennings, James R.)
- The Mississippian Valmeyeran-Chesterian series boundary (Norby, R. D.)
- Tidal deposition of Cypress, Ridenhower, and Bethel sandstones (Chesterian, Late Mississippian), La Salle anticlinal belt, Lawrence and Crawford counties, Illinois (Seyler, Beverly)
- Trace fossils and environments of deposition of the Aux Vases Formation and the Joppa Member of the Ste. Genevieve Formation (Middle Mississippian) in southeastern Missouri and southern Illinois (McKay, R. H.)
- Ordovician:** Carbonate microfacies of the Platteville Group (Middle Ordovician), Lee and Lasalle counties, Illinois (Kuhnhehn, Gary Lee)
- Preliminary lithostratigraphy and biostratigraphy of the Maquoketa Group (Upper Ordovician), northern Illinois (Votaw, Robert B.)
- Pennsylvanian:** Facies and the environments of deposition of the LaSalle Cyclothem in North-Central Illinois (Nolde, Jack E.)
- Macropaleontology of the uppermost Mississippian and basal Pennsylvanian strata in the southern part of the Illinois Basin (Jennings, James R.)
- Paleontology and stratigraphy of the Mattoon Formation (Pennsylvanian), Coles County, Illinois (Bandy, William F., Jr.)
- Paleontology and stratigraphy of the Mattoon Formation (Pennsylvanian), Coles County, Illinois (Bandy, William F., Jr.)
- So-called limestone "concretions" in Pennsylvanian black "shales"; carbonate oases in Carboniferous carbonaceous environments (Merrill, Glen K.)
- The Galatia Channel, a Pennsylvanian channel complex in western Gibson County, Indiana (Eggert, D. L.)
- Trace fossils and environments of deposition of the Caseyville and Abbott formations (Lower Pennsylvanian) of southern Illinois (Stanley, Roderick G.)
- Pleistocene:** Late Wisconsinan history of the middle Wabash River valley (Bleuer, N. K.)
- Paleoeecology of a fossil plant assemblage from a pre-Wisconsinan till in southern Illinois (Jackson, Stephen T.)
- Sedimentology and Woodfordian history of Lake Saline, southern Illinois (Heinrich, Paul V.)
- Statistical confirmation of the field discrimination of till units with particular reference to a local Radnor section in Woodford County, Illinois (Kirchner, James G.)
- Stratigraphy of Woodfordian till and lake beds in Iroquois and neighboring counties, Illinois (Moore, David W.)
- Subglacial mixing processes and the matrix uniformity of basal tills of the Laurentide ice sheet in Iowa and Illinois, U.S.A. (Kemmis, T. J.)
- Woodfordian-Holocene mollusc biogeography of Iowa and Illinois (Frest, T. J.)
- Quaternary:** Late- and postglacial pollen studies from the Zuehl farm site, north-central Iowa and Cattail Channel Bog, northwestern Illinois (Kim, H. K.)
- Late Quaternary vegetation of Illinois, USA (King, James E.)
- Quaternary paleoenvironmental changes in Illinois (King, James E.)
- Woodfordian subcrop and intensity of glacial erosion in McLean County, Illinois (Nelson, Robert S.)
- Silurian:** Anastrophic deposition in the Silurian dolomites of the Chicago area (Peczis, Jan)
- Eustatic sea-level control of Silurian (Niagaran) reefs, Michigan Basin (McGovney, James E.)
- Fauna of the Racine Dolomite (Niagaran), Grafton, Illinois (Garney, Ronald T.)
- Reef and interreef water depths on the Silurian Wabash Platform of northern Indiana (Shaver, Robert H.)
- structural geology**
- faults:** Wrench faulting within the Illinois Basin; an hypothesis (Trapp, John S.)
- folds:** Wrench faulting within the Illinois Basin; an hypothesis (Trapp, John S.)
- tectonics:**
- Geologic-tectonic history of the area surrounding the northern end of the Mississippi Embayment (Schwalb, H. R.)
- Intracratonic basins; erosional remnants, bulls-eyes and mantle sinks (Smith, Leigh)
- Structural framework and tectonic evolution of the New Madrid seismic zone, central United States (Russ, David P.)
- sulfur--geochemistry**
- ground water:** The chemistry of reduced sulfur species and their removal from groundwater supplies (Dohnalek, David A.)
- sulfur--isotopes**
- S-34/S-32:** H, O, and S isotopic study of the groundwater in the Cambrian-Ordovician aquifer system of northern Illinois (Perry, Eugene C., Jr.)
- Isotopic and geologic studies to identify the sources of sulfate in groundwater containing high barium concentrations (Gilkesson, Robert H.)
